

Swedish Presidency and the role of the public health community

Maria Renström

Director

Ministry of Health and Social Affairs

Sweden

EU-alcohol strategy – the priorities

- **protect young people, children and the unborn child**
- **reduce injuries and deaths from alcohol-related road accidents**
- **prevent alcohol-related harm among adults and reduce the negative impact on the workplace**
- **Inform, educate and raise awareness on the impact of harmful consumption**
- **develop and maintain a common evidence base at EU level**

First status report on the EU alcohol strategy

EU-level

- It is the year when DG SANCO will present its first status report on:
 - the Member States activities to implement the EU - alcohol strategy
 - the outcome of the Alcohol and Health Forum (platform for economic operators and NGOs to take actions)
 - the work of the EU Commission to reduce alcohol- related harm in relevant policy areas

Swedish Presidency in the EU

1 July – 31 December 2009

- **Alcohol and Health is a priority in the area of public health**
- **Several events to support the EU strategy will take place in Sweden**
